Biesterfeld Polybass S.p.A.

Biesterfeld Polybass S.p.A. excels as a leading distributor of thermoplastic materials in Italy since 1987:

- › Long-standing sales partnerships with leading international suppliers – mostly on an exclusive basis
- › Broad range of services: technical advice on product development and customised logistical solutions
- › Direct sales organisation on the all Italian territory and customer proximity
- › Synergistic product lines across industry segments

Our partners for plastics and rubbers

- › Complete homogeneous product portfolio: high-performance polymers, engineering polymers, thermoplastic elastomers, acrylic polymers, standard polymers, performance rubbers and additives.

Our partners for chemicals and rubbers

- › Focus on the markets: Life Science, Polymer Additives and C.A.S.E. (Coatings, Adhesives, Sealants, Elastomers), Food & Nutrition and Performance Rubbers.

Biesterfeld Polychem S.r.l.

Biesterfeld Polychem S.r.l. was established in July 2011 in collaboration with Biesterfeld Spezialchemie GmbH, one of the leading international distributors of products and solutions in the world of specialty chemicals.

- › Product portfolio carefully tailored to the needs of selected industries such as polymers, rubbers, cosmetics, healthcare, paints and coatings, adhesives, polyurethanes, composites, construction, nutrition, electro, electronics and energy
- › Customer-specific advice from specialists with solution-oriented, technical expertise and know-how in formulations
- › Close long-term cooperation with leading global suppliers
