

Biesterfeld in just 100 words

The Biesterfeld Group – a family-owned independent group of companies – has been active as an international trade and service company for 116 years. With an annual turnover of around 1.4 billion euros and over 1060 employees, Biesterfeld is represented at 50+ sites worldwide, serving customers in 120+ countries.

The Biesterfeld Group focuses on sustainable, profitable growth in its four core business divisions: **Biesterfeld Plastic** is a major distributor of plastics and additives. **Biesterfeld Spezialchemie** is globally active with products and solutions for speciality chemicals. The youngest business division **Biesterfeld Performance Rubber** is internationally active as a distributor for the rubber processing.
