84.79 % NATURAL ORIGIN CONTENT

In a world obsessed with skincare routines, we've shifted the focus to a topic that's just as important: hair care. Designed to shield and nourish your scalp and hair, this protection spray combines vibrant Pop Art and our everyday life. The striking yellow tone in our oil phase is reminiscent of the colourful masterpieces of Pop Art. The colour does not remain in the hair after application and is therefore suitable for all hair colours and types.

The water phase includes AURIST™ AGC as a new innovative conditioning agent for your hair. The second phase is a rich and nourishing oil, that fortifies and repairs your scalp and hair, preventing damage with α -Lupaline® and PRODHYDERM® XPP CE.

PHASE	INGREDIENT	INCI	SUPPLIER	KEY BENEFIT	% ww
A	Water	Aqua		solvent	49.30
	dermosoft® Pentiol eco	Pentylene Glycol	Evonik Dr. Straetmans	antimicrobial multifunctional	4.50

84.79 % NATURAL ORIGIN CONTENT

PRODUCT FEATURES

Appearance: yellowish 2-phase spray
pH 20°C (Water Phase): 6.4
Viscosity: < 300 mPas
Stability: stable for more than 3 months at 5 °C, 20 °C and 40 °C

Preservation efficacy test according to ISO 11930: The formulation meets criteria A.

MANUFACTURING PROCEDURE

1. Mix everything of phase A in one baker and stir until homogeneous.
2. Mix everything of phase B and heat up to 90 °C. Stir everything until homogeneous. Cool down and add phase C into phase B.
3. Mix phase A and B/C in a ratio of 50:50 into the packaging.

APPLICATION ADVICE

Mix water and oil phase by shaking the bottle. Apply a small amount on hair or/and scalp and leave in.
