

Medical Solutions

Medical Polymers, Parts & Assemblies

1. Medical Polymers

- › Thermosets
- › Engineered Polymers
- › Performance Polymers
- › Standard Polymers
- › Customized Colors

2. Medical Parts and Assemblies

- › Extrusion, Injection Molding
- › CMO Services (ISO 13485)

Structural Adhesives & Process Equipment

3. Structural Adhesives & Primers

- › UV/LED-curing acrylated urethanes
- › UV/LED-curing, 1K & 2K Cyanoacrylates
- › HM-PUR, HM-PA
- › 2k Epoxy
- › Primer for low-surface energy substrates

4. Dispensing & Curing

- › Manual & semi-automated dispensing equipment
- › Automated dispensing robots
- › UV/LED-curing equipment - Spot, flood & conveyor
- › Radiometers

Skin Adhesives and Siliconization

5. Skin Adhesives

- › Silicone Pressure Sensitive Adhesives
- › Silicone Soft Skin Adhesives

6. Siliconization

- › Silicone Fluids
- › Silicone Reactive Systems

- › Surgical and Interventional Devices
- › Drug Delivery Devices
- › Respiratory Care
- › Cardiology
- › Dental Care
- › Wearables
- › Advanced Wound Care & Ostomy
- › Implants and Prosthetics
- › Medical and Pharma Packaging
