SKIN CARE

Explore the surrealist magic of our transformative dough with SOFTISAN® MagicPOWDER S, which breaks down the boundaries between reality and fantasy. With addition of water, the dough transforms into a rinse-off lotion, which is particularly suitable for sensitive skin. While PURITY™ 21C Pure creates formula's base, AURIST™ GHI helps to thicken transformed lotion. So, let "Surreal Beauty" transport you to a world beyond the ordinary, where skin care is transformed into art.
