## PRODUCT FEATURES

Appearance: Yellow or ivory powder

Stability: Stable for more than 3 months at 4°C, 20°C and 40°C.

## MANUFACTURING PROCEDURE

1. Weigh and blend the ingredients in the given order and stir until homogeneous - ideally use a powder blender (15min. at 20rpm).

## APPLICATION ADVICE

Apply to roots of your hair, rub in with your fingers or a towel. Remove residues with a tissue if needed. Leave-in for some minutes and brush your hair for total refreshment.

For different hair types & structures. Use blond version for straight and thin hair and use colourless version for thick and curly hair.
