

RESPONSIBLE CARESM
Driving Safety & Sustainability

**Verband Chemiehandel e.V. (German Association of Distribution),
Große Neugasse 6, 50667 Cologne hereby certifies that the company**

Biesterfeld Plastic GmbH

Ferdinandstr. 41, 20095 Hamburg

**has been participating in its Responsible Care / Responsible
Conduct in the Chemical Trade* programme since 1 January 2018.**

Following an audit at the company, the third-party expert confirmed that the targets set in the three-year plan had been achieved (elements 5 and 8 of the programme in conjunction with the verification concept). This provides proof that the formal and substantive conditions of the programme have been met.

This confirmation is valid until 31.08.2029.

Cologne, 1 September 2026

C. Westphal
(President)

R. Alberti
(Managing Director)
