

Biesterfeld in just 100 words

The Biesterfeld Group – a family-owned independent group of companies – has been active as an international trade and service company for 112 years. With an annual turnover of around 1.2 billion euros and approximately 800 employees, Biesterfeld is represented at over 30 sites worldwide.

The Biesterfeld Group focuses on sustainable, profitable growth in its four core business divisions: **Biesterfeld Plastic** is a major distributor of plastics and additives. **Biesterfeld Spezialchemie** is active in Europe and Brazil with products and solutions for speciality chemicals. The youngest business division **Biesterfeld Performance Rubber** is internationally active as a distributor for the rubber processing. As an international trading company, **Biesterfeld International** trades worldwide in base chemicals and specialities.
